WHITEBOARD STICKER

The perfect work from home product: a removable whiteboard. It has a repositionable adhesive so you can easily apply to any smooth surface and once you've finished, just peel off.

How to get the most out of your whiteboard:

- Store all wipers horizontally to stop them from drying out
- Use low odour dry erase markers
- Remove dry wipe pen drawings using a clean microfibre cloths or erasers.
 - Permanent markers can be used for longer term writing or graph lines
- Use a solvent based cleaner to remove permanent markers

Sizes: A4, A3, A2, A1, custom up to 1.5m x 5m

Branding: plain, printed in full colour, cut to custom shapes

FORMULATE COUNTER

Counters aren't just for exhibitions, they're perfect for product demonstrations - either live on webcam or recorded. The counter top can be used to display your products and the graphic will show your company branding clearly throughout the demonstration.

Size: 800mm x 1015mm x 530 mm

Material: 235gsm Stretch Fabric

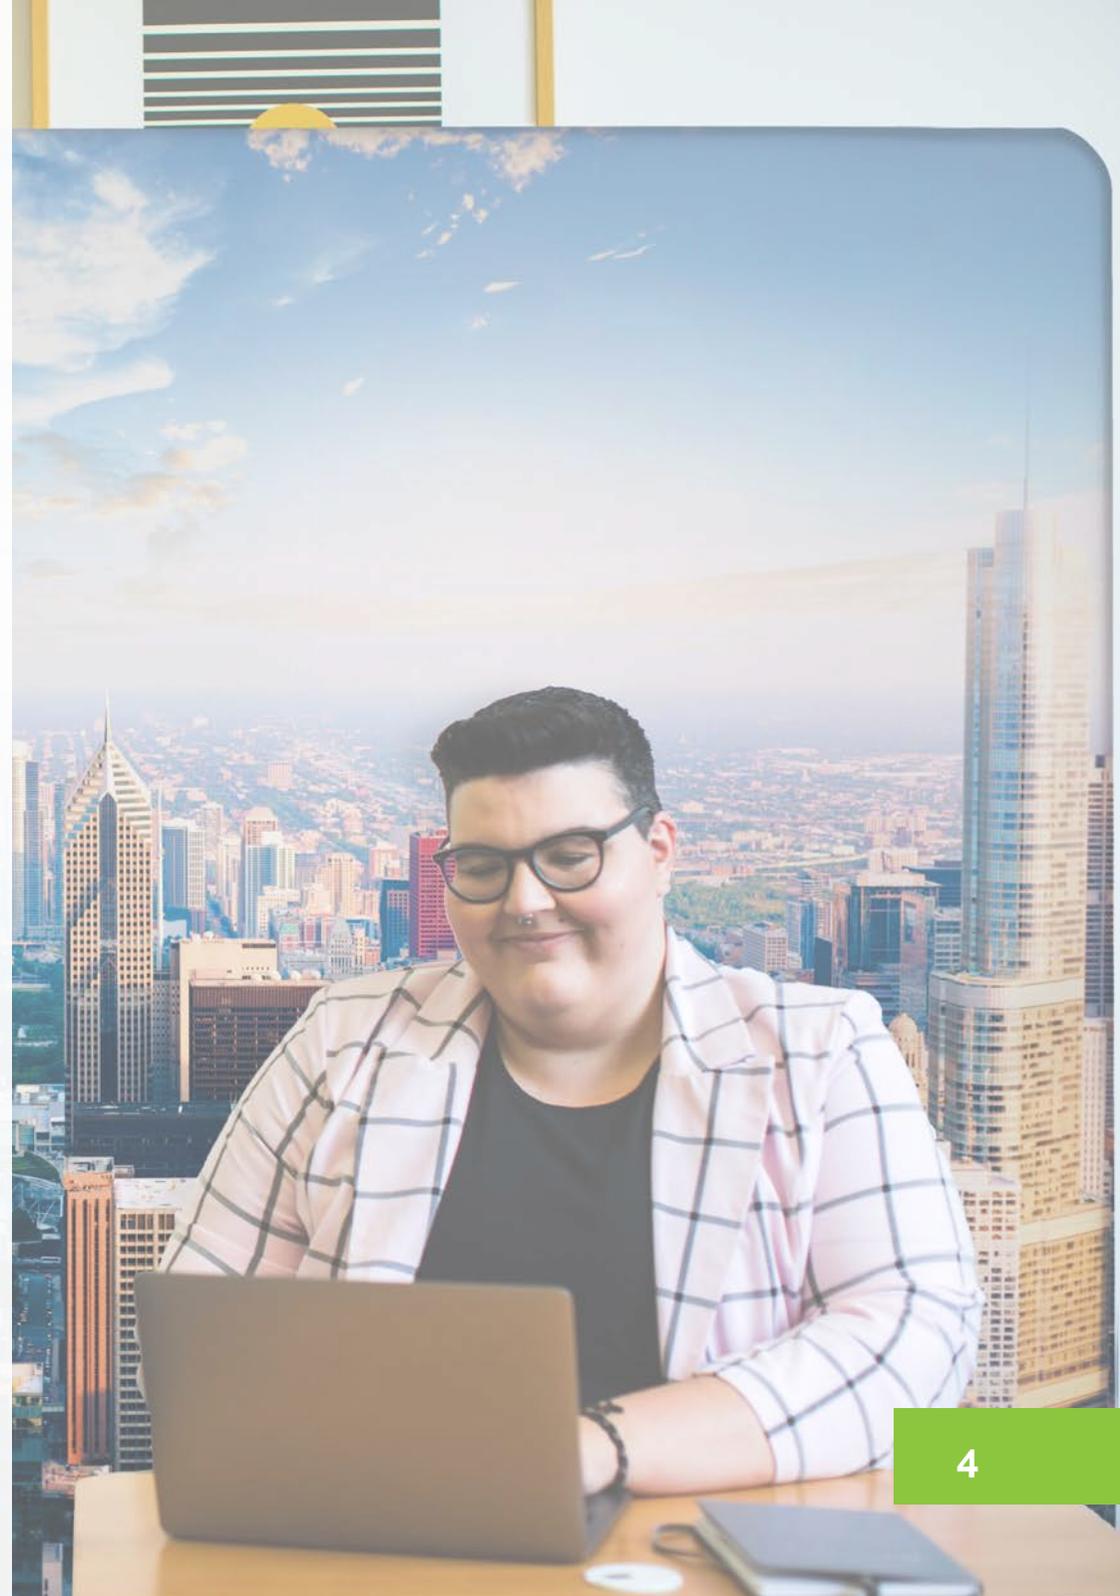

FORMULATE STRAIGHT

Do you need a backdrop for your next video call? The formulate straight fabric displays come in a range of sizes that can be quickly assembled and disassembled by the end user. They pack away easily into a small carry bag so they are easy to store, and the graphics can be swapped to create a different backdrop.

Sizes: 2.4m, 3m, 6m

Material: 235gsm Stretch Fabric

PEGASUS

The pegasus is a great product to use as a working from home backwall because it has a telescopic frame so the height and width can be adjusted to custom sizes. The graphic can be quickly changed for if you want to add your branding into your video calls or product demonstrations.
